

Welcome to the Neighborhood

Dear New OHHA Homeowners,

It is with great pleasure that I welcome you to our community. I'm sure you will find Oakview Heights to be a great place to live and a safe environment to raise a family. I know it is a very exciting time when you're moving, but it can also be very stressful. My recommendation is to take time to meet your neighbors. We all live in such a hurried world that many times we just don't take time to get to know each other. Your new neighbors have the potential to be some of your greatest allies, not to mention a wealth of knowledge about your neighborhood. Good neighbors are worth their weight in gold.

I would like to introduce you to our community through the Oakview Heights Homeowners Association website www.oakviewheights.org. This new website has a wealth of neighborhood information and should give you an idea of some of the things we do to make sure that Oakview Heights continues to be a safe, secure, thriving and vibrant community in the City of Roy. All the OHHA Bylaws and CC&R's (Covenants, Conditions & Restrictions) will be available online for review at your convenience now.

I hope your move goes well and again, WELCOME to the neighborhood.

Carrie Pena, President
